

Ninth Environment for Europe Ministerial Conference

Sustainable Infrastructure
Sustainable Tourism
Education for Sustainable Development

5-7 of October 2022
Nicosia-Cyprus

AGENDA

SEA as a tool to evaluate infrastructure plans/programmes in the transport sector

October 6th, 08:15 – 09:45, Room 5b/Fresnel Building of Cyprus Institute
English, Live event

The side event aims at sharing experience gained by 5 NGOs from EECCA countries how the SEA can be used to evaluate plans or programmes in transport sector thus enabling civil society organisations to participate in decision-making processes for different infrastructure planning.
