AGENDA

Educating with a Rounder Sense of Purpose: teacher competences for sustainability

[6th October, 13:10-14.40, Room 3, Gago Hall of Cyprus Institute]
[English] [Live]

The side event aims at:

- *Introducing the Rounder Sense of Purpose (RSP) framework of educator competences for sustainable development*
- *Illustrating how RSP has informed policy and practice in different contexts in UNECE Member States*
- *Providing an opportunity for participants to question the originators of the RSP framework*
- *Exploring with participants how RSP might support education for sustainable development in their own contexts.*
